

Student Access to ClassLink and Google

Student: _____ ID#: _____ DOB: _____

Laredo ISD provides students with online access to digital textbooks, student grade portal, email, and various educational tools with a one time log-in into ClassLink or Google via any mobile device.

Each student has a unique username and password. The username is the student's first name, followed by a period, initial of their last name, and last 3 digits of their student ID#. The password is the student's last name with a capital letter, two-digit month and two-digit day from their date of birth.

For example, student **John Doe**, ID# **9744345**, Date of Birth **01/02/99** would log in using the following credentials:

***Username: john.d345 *Password: Doe0102**

ClassLink sign-in: <https://launchpad.classlink.com/laredoisd>
